We believe, we achieve

We **believe** in providing a safe and happy learning environment where children and adults are valued, nurtured and empowered to **achieve**.

We **believe** a good education is the foundation on which our children's futures are built equips them for their life ahead. We aim to develop the whole child through a diverse and culture rich curriculum.

We are committed to providing an excellent education through helping children to **achieve**, by developing enquiring minds, instilling the motivation to learn and the ability to work both independently and collaboratively.

Our approach is underpinned by our strong Christian ethos. We aim to help children learn to love and forgive each other and aspire to be the best they can be, rejoicing in their own success and the success of others. We also aim to establish a clear understanding of rights and responsibilities for all by embedding the United Nations Convention on the Rights of the Child.

We **believe** everyone in the school community is responsible for instilling Christian values that will help our children become confident and responsible members of society.

Our beliefs

At St John the Baptist we respect each other: We try to **Love our neighbour as ourselves**. To help us achieve this, we have five **St John the Baptist Beliefs** which are supported by five key words:

Welcome, celebrate and care for each other to make our school a safe and happy place **(Celebration)**

Co-operate, help and listen to each other so we can learn from each other and settle disputes peacefully **(Cooperation)**

Work hard and try our best so we can be proud of ourselves and our work **(Determination)**

Be honest and tell the truth so we can trust each other **(Honesty)**

Look after the school and our belongings so we have a pleasant place to work **(Respect)**

Our messages enable us to work together to share a common purpose. We see them as a positive way to learn how to become the best we can be. They are often referred to throughout the day by adults and children.

Home School Agreement:

At St John the Baptist C of E Primary School we recognise that children achieve more when our school and our parents/carers are working together. This partnerships is a cornerstone of our whole approach; it will be based upon trust, mutual respect, communication and understanding.

We as a school will honour our responsibilities in the sure knowledge that parents will be more effective helpers in their child's education if they know what the school is trying to achieve and how they can support our aims.

For our children we will:

- Provide a rich, stimulating, secure and safe learning environment in which there is an opportunity for all to achieve success and to develop their full potential.
- Give access to a broad and balanced core curriculum
- Provide high quality teaching opportunities and extra support where needed
- Ensure equality of opportunity for all children
- Keep students regularly informed as to their progress and set realistic targets for improvement
- Treat students as individuals and recognise that they have individual needs
- Listen, take seriously any concerns properly reported and act upon them

For the parents we will:

- Communicate regularly to inform parents about their child's educational progress, attendance and welfare
- Acknowledge, investigate and respond to any concern within three working days.
- Keep parents informed of the activities of the school, particularly noting any changes to existing practises
- Actively seek the views of parents about how the school can improve
